➤ **Our speed line equipment is mobile, modular, and flexible.**

Use these pieces stand alone or combined with complimentary speed line system for a complete look. Easily interchange individual units without replacing the entire system.

➤ **Fits beautifully into your space** with sleek, removable, laminate

side panels. Choose from various standard laminate colors or customize your design. Various heights are available (standard height 34" or elementary height 31.5")

➤ **Stands up to daily wear** with durable stainless steel workspace, corner guards, and tough

laminate sides. Easy to clean stainless steel top and interior are resistant to corrosion.

➤ **Customize** with versatile service line optional

accessories, such as a sneeze guard and tray slide shelf.

Heated and refrigerated speed lines are available for different size baskets: 13x26 and 13x20 at 2.5" and 4" depths.
