9. **DAMAGE CLAIMS:** All goods shipped from factory on behalf of Buyer are at Buyer's risk. If a shipment is lost or damaged in transit, Buyer must make his claim directly with the carrier. Seller's responsibility ceases upon receipt of Bill of Lading from carrier. Visible damage should be noted on carrier's receipt, and after merchandise is unpacked and inspected, any claim for damage must be filed promptly with the delivering carrier by Buyer. In cases of concealed damage, save all packaging, immediately notify carrier of intention to file a claim. All orders for replacement merchandise due to freight damage will be invoiced under Seller's regular terms. Any reimbursement or credit is the responsibility of the freight company. Buyer may not withhold payment of Seller's invoice because of pending freight claim settlement.
10. **TITLE AND RISK OF LOSS:** Full risk of loss and title passes to Buyer upon delivery of the merchandise to a carrier at the E.X.W. point. Buyer grants seller a security interest in the merchandise to secure payment in full, together with a power of attorney to execute and file in Buyer's name any necessary financing statements to perfect such security interest. Upon Buyer's default in payment, Seller may repossess the merchandise, and Buyer agrees to return same to Seller. Additionally, Seller may pursue any other remedies available to law.
